Currently, NOMAR does not require any specific courses.

General Information

The **LREC** strongly recommends that you keep your CE certificates for three (3) years in a file that is readily accessible. There is no need to send the LREC a copy of your certificate, as they receive class attendance reports directly from the CE provider. The LREC is the entity that requires twelve (12) hours of CE each year.

NAR requires “Quadrennial Ethics” training and they require members (you) to prove successful completion to your local association (NOMAR). NAR requires **NOMAR** to keep a record of your completion of this course.
