

NOMAR members are now able to sign up for our new product Zipforms, which is replacing Formulator. Zipforms is compatible with MAC, PC, Mobile, and other products such as DocuSign.

All Formulator Online users will get a ZipForm® account upon software conversion

**** Users will need their NRDS number to complete the conversion process****

[Click here to Find Your NRDS ID](#)

Existing **Formulator Online Users** the conversion process to ZipForm® Plus begins in Formulator® Online—[Click here](#) for Conversion Instructions.

Existing **Formulator Desktop Users** can use Formulator for the time remaining on their contract. They also can contact Zipforms ([website](#) or call 800-499-9612) to purchase ZipForm® Plus or upgrade to ZipForms for the remainder of their Formulator renewal.
