

NOMAR

New Year Business Planning

Business Planning will be the Why, How and Who to launch into business development for 2015.

Why = Mindset and perspective, where and who is business going to come from. We'll look at Market trends, MLS stats, and a look at the different generations and how to communicate with them. You will walk a way with a plan of transactions, income, contacts, appointments and a Growth Plan.

Lunch will follow sponsored by [Title Stream](#).
[Registration online](#) or fill out below

Please fill this registration form:
