Assistance to Relocate Neighborhood Cat’s

If you have rural property, perhaps with a barn, and you need help with rodent control, please consider adopting some outdoor cats. A townhome complex in New Orleans is scheduled for immediate demolition and the buildings are home to about 20 cats that have lived there since Katrina. The cats live beneath the concrete slabs of the buildings and may be crushed and killed when demolition begins. If you can take 2-5 cats, please let us know right away by emailing directly to: Jeanette Althans: JAlthans@chnola.org or Kim Johnson: nolacats@gmail.com Click on link below for more info <http://www.nomar.org/pdfs/Saving%20Cats.pdf>
