EDUCATION

Year End CE Questions

At this time of year we get a lot of questions about tracking, reporting, CE requirements, and upcoming classes. Here are the answers to the most often asked questions:

CE class hours tracking:

1. NOMAR does not track your CE classes. We do, however, have a record of classes that you have taken with NOMAR.
2. You can check your NOMAR class record at www.nomar.org. Click on "Member Accounts", then "NOMAR", put in your logon and password, then, under "Personal Information", and click on "Your Education History".
3. As a courtesy, the LREC will add your class history to your LREC record, but it may take awhile. Go to www.lrec.state.la.us to check your CE class history.
4. The very best way to track your CE classes is to do it yourself. Keep a file with all of your certificates in it. Keep the certificates for 3 years.

Reporting:

1. You **never** have to report your class attendance to the LREC. The LREC gets a class attendance report from the CE provider.
2. You **never** have to fax a copy of your certificate to the LREC. The LREC gets a class attendance report from the CE provider.

Class schedule:

1. Members are mailed a schedule of upcoming classes on Mondays.
2. This list is also posted at www.nomar.org under "Education", then "2010 Continuing Education Schedule".

NOMAR's CE Schedule

is emailed on Mondays. It is also posted weekly on www.nomar.org under "Education". Click here for the latest schedule <http://www.nomar.org/coned/2010/Schedule-1st%20Quarter.pdf>
