Yes, Count Me In!

I understand my agents/employees will **only** be contacted in my name through this program on federal legislative issues, or be solicited for RPAC contributions through this program with my consent, or that of my designated Point of Contact (Managing Broker, Administrative Assistant, etc.).

I am further aware that I or my Point of Contact will need to be available to NAR to confirm our participation in the program. I also understand and agree that I will be considered the sender of the emails that my salespeople will receive from this program.

We will alert you by phone and email (brokeradvocacy@realtors.org) when there is a Broker Call for Action. Your personal email message and the Call for Action (CFA) will then be available for your review at the Broker Portal. Since time is of the essence, we will automatically send your message and the CFA to your agents if we do not receive any comments from you within two business days. (This is for legislative CFAs only; we will always get your approval for any fundraising messages.)

- By checking this box, you request NAR to send your message and CFA **only** after receiving your comments and/or approval. We will not automatically send it if we do not hear from you.
